States with Dealership Clients

WHY DHG

We Listen. We Understand. We Collaborate.

DHG Dealerships has a team of dedicated professionals working exclusively with dealerships across the country. We serve more than 3,000 dealership clients across all 50 states, representing dealership groups of all sizes. We leverage our knowledge of and relationships within the industry to help identify solutions surrounding dealership trends and hot issues, which include: mergers and acquisitions, facilities and factory matters, performance, succession planning, risk and regulatory and people and talent acquisition. Providing our clients with industry thought leaders in our Assurance, Tax and Advisory Service Groups, we consult on best practices to help maximize efficiencies, increase profits and understand risks.

OUR OFFERINGS

We collaborate with key industry stakeholders so that we may maximize the knowledge we bring to our clients and provide them access to key resources in banking, legal, talent acquisition, technology, brokers and others. In addition to providing core tax compliance and assurance services to dealers nationwide, we work with clients at every point in the dealership lifecycle.
