Immediately Save \$100k to \$2M+ on health insurance per year while simultaneously improving employee benefits

LevelFunded Health is a national, tech-enabled commercial health insurance distribution platform focused on level and self-insured benefit programs for middle market employer groups nationwide.

LFH immediately saves these businesses anywhere from \$100,000 to \$2 million plus per year on health insurance costs, while simultaneously improving employee benefits, EBITDA, debt ratios and exit valuations.

15+ Dealerships Nationwide

LevelFunded Health is working with over 15 auto dealerships across the US and is rapidly growing that number.
