DESCRIPTION	PART #	DESCRIPTION	QTY	UOM	PRICING
Firm Pricing for 12 Months		<p>A. Seller will guarantee pricing and terms for 12 months, except as detailed below in Sections B through E. Pricing will be reviewed on an annual basis.</p> <p>B. Seller reserves the right to pass on sku-specific price increases should extraordinary circumstances impact Seller's landed cost of goods.</p> <p>C. Notwithstanding anything herein to the contrary, Seller reserves the right to adjust prices on commodity items or other such items due to market fluctuations or government imposed tariffs or surcharges which will increase Seller's procurement costs.</p> <p>D. Price adjustments will not be tied solely to cost of goods increases, commodity indexes or raw material trends but rather will include cost increases based on all elements of the Seller program including but not limited to scanning equipment, Freight costs, Field Service costs, storage equipment and inventory return programs and other program elements we use to support the Buyer relationship.</p> <p>E. Nationally branded and Drop Ship products are excluded from all price locks. Cost of goods increases received by Seller on brand specific items, will be passed onto Buyer as they occur.</p>			
Payment Terms: 2%-10; Net 30		Imperial's standard Payment Terms: 1/2% - 10; Net 30 Days			
Delivered Pricing		<p>The first order to each Customer location will ship without freight charges. Subsequent orders over \$200 are shipped freight free. (Shipper Saver Program also available. Speak with your Imperial Advisor for more information.) Prices stated are F.O.B. shipping, freight prepaid to destination specified in order. Imperial charges a shipping and handling fee on each order which is applied at time of order and reflected on Customer's invoice. Receipts for shipping and handling charges will not be furnished. Other terms and conditions may apply for other than standard ground delivery ("Other Freight Services"), including without limitation, expedited same day delivery, air freight, freight collect, export orders, hazardous materials, Customer's carrier, shipments outside the contiguous U.S. or other special handling by the carrier. Any charges incurred for Other Freight Services must be paid by Customer. Fuel surcharges may be applied. Title and risk of loss pass to Customer upon tender of shipment to the carrier. If the product is damaged in transit, Customer's only recourse is to file a claim with the carrier. Vendor drop-shipped products are excluded from our standard freight policy and the Customer is responsible for freight on drop-ship products.</p>			
Next day delivery		<p>Imperial provides same-day nationwide shipping for orders placed before 1:00PM CST. Orders placed after 1:00PM CST ship within 24 hours. Emergency, Expedited, and Air Shipment options are available upon request. Other terms and conditions may apply for other than standard ground delivery ("Other Freight Services"), including without limitation, expedited same day delivery, air freight, freight collect, export orders, hazardous materials, Customer's carrier, shipments outside the contiguous U.S. or other special handling by the carrier. Any charges incurred for Other Freight Services must be paid by Customer.</p>			
Internet ordering available		Yes. Ordering online is available via Imperial's phone app and website.			
Product warranty and return policy		<p>Return Policy: Product returns must be made within one year from date of purchase, unless otherwise indicated. Imperial may, at its option, repair, replace, or refund the amount paid by customer. Returned product must be in original packaging, unused, undamaged, and in saleable condition. Proof of purchase is required.</p> <p>Product Warranty: Imperial Supplies warrants products against defects in materials and workmanship under normal use for a period of one (1) year after the date of purchase, unless otherwise stated. Provided that Imperial Supplies accepts the product for return during the limited warranty period, Imperial Supplies may, at its option: (i) repair; (ii) replace; or (iii) refund the amount paid by customer. Imperial Supplies' repair, replacement, or refund of amounts paid by customer for the product, shall be customer's sole and exclusive remedy.</p> <p>To return a product during the Limited Warranty Period, customer must call 800-558-2808 for a return authorization number. Each return authorization number is valid for thirty (30) days. There is no restocking fee, except as otherwise noted below, if products are returned within the Limited Warranty Period in saleable condition, with manufacturer's original packaging unblemished and all accessories, manuals and warranties included. Please include a copy of the packing list or invoice with a reason for the return. Late returns and incomplete returns will incur a 15%, or higher, restocking fee. Imperial Supplies reserves the right not to accept returns received after the expiration of the Limited Warranty Period.</p>			
Customer Service Hours		Imperial's customer service hours are 6:00 AM to 6 PM; Monday - Friday.			
Credit Card Payment: Visa - MC - Discover - AMEX		Imperial accepts the following methods of payment at the time of order: Visa, MasterCard, and American Express. For customers with established Imperial Supplies' credit, payment terms are one-half percent (1/2%), ten (10) days, net thirty (30) days from the date of shipment.			
Monthly invoices itemized		Yes, Imperial can provide monthly invoicing for all monthly orders and shipments are conveniently consolidated onto one month-end invoice. You will receive one invoice per month; twelve per year.			
Usage reports available upon request		Yes, reports are available.			
Single Sales Contact		Yes, there is a Single Sales Contact available for Customer.			
Insurance - Will you provide a Certificate of Insurance? What \$ Limits?		Yes, Imperial can provide Certificate of Insurance, which includes dollar limits.			
Representatives are employees of your company and not sub contractors or 1099s?		Correct, representatives are employees of Imperial Supplies. Imperial is not a 1099 company.

DESCRIPTION	PART #	DESCRIPTION	QTY	UOM	PRICING
Does your quote provide a vendor managed inventory program?		Imperial Supplies offers Customer Managed Inventory (CMI). Imperial provides our customers the technology and tools necessary to manage and maintain your inventory insuring you have full control. Alternatively, commissioned route sales agents are trained to increase product penetration at targeted accounts in their territory. They are not trained to reduce inventories or assist customers in lowering total costs associated with the acquisition of their product lines. The removal of the influence of the route sales agent will keep purchasing control in the hands of Customer rather than the supplier. The result is the ability to maintain practical, cost effective inventory levels at each location. Imperial Supplies also offers Barcode Technology, detailed, Custom Reporting, EDI Capabilities, Customer Corporate Programs, Fully Integrated Chemical Program, and Product Recommendation and Standardization Programs.			
Can you provide a customer managed inventory solution upon request?		Imperial Supplies offers Customer Managed Inventory (CMI). Imperial provides our customers the technology and tools necessary to manage and maintain your inventory insuring you have full control.			
Briefly describe any revenue generating programs that you have available?		Imperial offers the opportunity to recover expensed items on repair orders through job costing software solutions.			
Are you a national supplier?		Yes, Imperial is a national fleet supplier offering a wide variety of MRO solutions.			
ISO certified?		Imperial is not ISO certified.			
Msd on-demand service?		Safety Data Sheets ("SDS") and Material Safety Data Sheets ("MSDS") for OSHA defined hazardous substances are prepared and supplied by the manufacturers. These documents are available on Imperial's website.			
Briefly describe any compliance programs you have available?		Imperial's Product Blocks Program can help Customers ensure that critical purchasing decisions are made at the corporate level, not the shop level. This highly effective program reduces overall cost and guarantees compliance.			
Briefly describe your obsolescence program?		Imperial's Inventory Balance Program allows you to reduce and streamline miscellaneous parts and supplies inventories. Overstocked and obsolete product can be returned to Imperial for allowance on future purchases. Imperial must stock products returned in conjunction with this program. Valuation of returned product is dependent on condition.			
Briefly describe training programs?		Imperial provides technical publications via CD, hard copy and online at no cost. Imperial's home page currently features approved product application manuals for Brass, Electrical, and Fastener training. Imperial offers onsite training for barcode ordering and putaway as needed and mutually agreed.			
Briefly describe our next steps in implementing your solution?		The implementation of Imperial's program is designed to incorporate the needs and desired outcome of the Customer. The Imperial approach consists of meeting with the Customer to develop a detailed shop conversion Standard Operating Procedure. This will include review of expectations and transition needs. Reviews are conducted at customer facilities in order to meet with personnel and introduce the Imperial program. Once a strategy is agreed upon with the Customer, Imperial's Field Service team executes the rollout plan.
